Work Package 2: Competences and educational programmes for collaborative learning

T2.5 Educational programmes for the acquisition of competences for collaborative learning – POST PLA 2

On behalf of the project "Education and Training for Collaborative Learning in Blended Learning Environments (CL-BVET), funded by ERASMUS-EDU-2024-CB-VET, project number 10118330 - CL.BVET, we invite you to participate in a national event where we would like to discuss and exchange knowledge and experience in education and training for collaborative learning in blended learning environments in Slovenia.

**The workshop will be organized at the Šolski center Novo mesto,
Šegova ulica 112, 8000 Novo mesto – building C, classroom CP.6
on Monday, 25 August 2025, 10:00 a.m.**

At the workshop, we would like to talk and get answers on the following topics:

1. Use of open badges to identify acquired competences.
2. Suitability of the prepared basic structure of the educational programme for the acquisition of competences for collaborative learning.
3. Examples of ready-made programs from PLA 2 – analysis and suitability for use.
4. Preparation of a uniform form for collaborative learning programmes.
5. What are the next steps?

For more information, please contact Tomaž Pintarič, tomaz.pintaric@sc-nm.si 00386 41 562 478.

You are cordially invited.
